MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology

FROM: Executive Director

SUBJECT: Third Running of DCI Seminar Series

1. As you know, we have just completed the second running of the DCI Seminar series. The success of the first two runnings has led us to sponsor a third for 1988. The main purpose of the program again will be to enable some of our more promising managers to explore selected management issues with senior Agency people, creating an opportunity for them to broaden their perspectives by delving into management challenges to which they would not normally be exposed. As in the first two series, we will be showcasing people who are making a difference here, particularly those who display vision and are acting on it. We also see this as an opportunity for participants to build contacts--to get to know other Agency doers and thinkers.

2. As in the first two runnings, attendance will be by invitation only, to encourage frank and useful dialogue and help ensure that we are targeting the right audience. To that end, I invite you to nominate a dozen of your "best and brightest" to participate in next year's seminar. We are looking for people in the GS-15 to SIS-3 range whom you consider to have a bright future in the Agency. (By way of reminder, we have attached a list of your participants in the first two runnings.) We plan to kick-off the third series toward the end of January, so we will need your nominations by 31 December 1987. We plan to sponsor about a dozen late-afternoon presentations--one each month. We will notify your nominees of their selection for the program and provide them with all of the necessary details.

3. If the first two seminar series are any indication, this should be an enriching experience for all of your participants.
